OPTION THREE (FULLY FUNDED)

We have a very limited number of places for children to attend the nursery for up to 15 hours per week per child on a fully funded basis (ie no charge to parent).

To avoid any doubt, we stress that under this option:

- The available places are very limited in number and are available on a first come-first served basis.
- A place is for term time only, with no guarantee of renewal for the following term
- Available places will be established prior to the beginning of each school term
- The sessions are 8.30–11.30am and 1.00pm-4.00pm, Mon to Fri. We regret but your child cannot remain at the nursery between sessions on the same day, or attend nursery outside these times
- The sessions are outside nursery meal times so no meals will be provided
- We will supply, free of charge, nappies, wipes, suncream, fruit, snacks and milk as we do not have the capacity to store/manage supplies brought in by parents
- We do not require a registration fee with this option. An £80 deposit to secure the child's place will be requested upon registration and returned within a month of the child starting with us. Should the parent decide not take up their place, the deposit will be refunded providing sufficient notice has been given to the nursery in writing

NOTE:

If a parent wishes for their child to attend all year round, either sessionally or full time, while claiming their EYEE funding entitlement, then please see our alternative package, OPTION TWO, where a £2.00 Service Fee is charged per funded hour to cover consumables, food and additional activities.
